

Terms of Service

Here at ApartmentJudge, we have decided to limit our Terms of Service. In accordance with our United States Constitution, the First Amendment gives every US Citizen the right to Freedom of Speech. This is important because without your First Amendment rights, informational forums such as ApartmentJudge would not be able to conduct business in this such way.

ApartmentJudge is a median in which its users can express there pleasure, frustrations, or discomfort in a current or former apartment community. Keep in mind that ApartmentJudge is a forum in which opinions and reviews written about communities are being posted by its users, so ApartmentJudge.com can under no way be held liable for any of its content.

We would like to make sure that our content is readable for all ages, so topics of adult nature and profanity will not be tolerated, but please feel free to write and comment as you wish. ApartmentJudge does hold all rights to alter, change, or delete any of its content at anytime without consent from its users. Profanity will be automatically changed to words of a childish nature or "asterisked" out, and any adult content will be immediately removed. Names of staff and residents of an apartment community may and can be changed or deleted at anytime but only by request from one of our users. These are very simple rules to follow and we ask that you please abide by them as best you can.

And with that, its all up you
ApartmentJudge.com now invites you to " BE THE JUDGE"
